FROM: James H. McDonald Director of Logistics SUBJECT: Transfer of Management Responsibility for Logistics Stock Allocation 26 REFERENCE: Memo dtd 2 Aug 77 for D/L fm D/CO, same subj (OL 7 3541) 25X1 1. In conjunction with referent memorandum, we have requested that action be initiated to transfer management responsibility for clandestine electronics equipment in Logistics Allocation 26 from Office of Communications to the Office of Technical Service. Consequently, it is planned that a new Logistics Allocation 66 be established to facilitate the transfer of management responsibility. 25X1 25X1 25X1 We have requested that the above change become effective 1 October 1977. When the transfer is implemented, appropriate computer reports for Allocation 66 will be distributed to Office of Technical Service on a continuing basis. If there are any changes or unforeseen problems which might arise concerning the establishment of a new allocation, you will be advised promptly. 25X1 Distribution: Orig - Addressee 1 - OL Official Worig ref	٠.
